1 Moraga Commons Park
(corner of Moraga Road & St. Mary's Road)
The park offers an amphitheater, a Disc golf course, a par course, picnic areas, tot lots, swings, a few water elements, sand volleyball, horseshoes, bocce ball, and half court basketball, along with lots of room to relax under shade trees. The skatepark is open from 9:00 a.m. to dusk daily. To join Moraga Bocce Ball call Dom at 376-1511.

2 Mulholland Ridge Open Space Preserve
The Open Space Preserve was formally opened to the public in the spring of 2003. The 250 acre Preserve is located off Donald Drive and is open for hiking from dawn to dusk daily. No overnight camping is allowed. The ridge is relatively high, offering breathtaking views on a clear day of the surrounding East Bay hills and the Diablo Range.

3 Lafayette-Moraga Regional Trail
The Lafayette-Moraga Regional Trail, a 7.65-mile linear park, parallels St. Mary's Road through Lafayette and Moraga. It is intended for hiking, bicycling, and equestrian use. In Moraga the trail ends at EBMUD's Valle Vista staging area, bordering San Leandro Reservoir and Redwood Regional Park.

4 Lafayette Community Park
68 acres located 1 mile east of the Community Center at 480 St. Mary's Road. Two sports fields, group picnic area, Tot playground and restroom facilities.

5 Lafayette Reservoir Rim Trail Loop (5 miles)
This is a strenuous 5 mile loop trail that circles the reservoir and provides good views of the lake and Mt. Diablo to the east. The trail rises and drops as it follows the ridge, often at a very steep angle. While trail signs are sporadic, if you stay on the road that follows the ridge around the lake it will eventually lead back to the entrance area.

6 Reservoir Shore Trail (3 miles)
This can be reached from the Rim Trail and is an easy paved trail that circles the reservoir. This trail is very popular and is used by joggers, fishing enthusiasts, families and walkers of all kinds.

7 Rocky Ridge - King Canyon Loop (6 miles)
Trailhead: Valle Vista Staging Area, Canyon Rd. This is a moderate trail with 500 feet of elevation gain. An EBMUD trail permit is required. There is no drinking water and only a primitive toilet at the trailhead.
